

# Phone Unit

With the "Phone" telephone booth, you create an enclosed, soundproof focus room in less than 1.5 square metres. The soundproof telephone booth with integrated table offers space for a laptop, tablet or notebook and is ideal for making phone calls and focused work for one person.

## Structure

Multi-layered, wall thickness approx. 8 cm

Material: Decorative chipboard and wood fibre insulation board

## Sound insulation

Excellent sound insulation value of the booth of at least 34 dB

Pleasant room acoustics thanks to special acoustic absorbers

Excellent acoustic shielding in both directions
